Phantom Ball Attendees

The members of the Stone Harbor Garden Club
would like to thank you most sincerely for your generosity.

The response to our Phantom Ball was overwhelming.

Your continued support during this unusual time is so appreciated.
As a result, we will be able to continue to beautify Stone Harbor next summer
with hanging baskets and floral urns.

We also would like to thank the following businesses who were
Stone Harbor sponsors of the Phantom Ball.
These firms have been continuous supporters of the Garden Club.
